“ It has been many years since i last talked to Heather Reuther Jr. High, but I always considered Heather a Friend. When I read Heather had past , it made me think back to "The Reuther Days" . What I remember most about Heather was her "Giggle" . Heather , You will be missed , and loved by all that loved You FOREVER !!!!

“ RIP Dear one... I was looking so forward to seeing you this summer... had I known it would have been my last chance to see and hug you, I would have somehow managed to see you while I was up there for Corey's funeral... I love you and will forever hold the wonderful memories of all of the fun times we have had over the years. Forever in our hearts...
