“ Heimo was a special cousin of my father Pentti Makkonen. He was best man for my parents Ellen and Pentti's wedding. Our present home was bought from Heimo in the late 30's. He would always stop to visit with us. My last visit with Heimo was with my sister Charlotte. He was such an interesting person and so many things he told us about the early days. A great man that did great things. Russ and Ilona Messner and family

“ Heimo was very much related to us, he was our cousin both from father's and from mother's side. He was the last one of our 'double cousins' and of us there is only I 78 years and my sister Tuovi 91 years left. I am happy that I met Heimo in USA already 1966. Then I visited him once more in America and he also visited Finland with his wife Margareth. He was a very handsome man and had done a lot in his life. “ Heimo played a very special part in each of our lives, leaving us with dear memories of his stories and the times spent together. He was a self made man and very gracious and caring to all. Heimo will always hold a special place in my heart and I am better for having him a part of my life. Blessings, Char and George Leinonen
