“ Larry and Mark: I am so sorry to read about your mother's passing. I knew she had been in and out of the hospital lately and I was concerned about her health. This is going to be a hard time for you. I know after losing Dad last October 2008 that it sure took me a long time to accept it and move on with my life. Mark it was great talking to you a couple of weeks ago. If there is anything I can help you with, please stop by. God be with you and help you through this difficult time in your life. Jan Kobert
