“ My deepest sympathy to Kathy and Roger and your families. I am unable to attend visitation or services. Even though I hadn't seen her in a long time I can still remember her laugh and sage advice. When we were in high school she told one of our friends regarding a boyfriend that if he makes you cry—he's not the right one. I have used it on myself and passed it on to many friends and family. I'm sure there was a great celebration to welcome her in heaven. Love you both, Joanne Adamczyk

“ I had the pleasure of knowing Helen for the past 9 years at Town Village. Always smiling and talkative. Always inquiring as to my well being. She made u feel good about yourself. She had a gift. She was a constant dinner companion to Jennie and brought her comfort too. I am sorry she had to suffer at the end. I will miss her. Cindy Sacco (asst. activities director)

“ *Dear Kathy, Johnny, Richard and Patricia, Aunt Helen was one of the nicest persons that anyone could have known and will be missed by all that knew her. I doubt she ever had a bad thing to say about anyone and made you feel like you were truly special when she was around you. Although I didn't get to see Aunt Helen much in these later years, I actually thought of her often just because of what a wonderful person she was. Being a member of the "greatest generation", she certainly helped make it "great". Anyone that knew her will never forget her. Cousin Rick, Connie and Seth Thomas.*

“ *To all the family of Aunt Helen,
We will miss visiting with her, in person and on the phone. She was
a true joy who always lit up the room with her smile. She was
impossible not to love and made us always feel special. Those who
went before her should be greeting her with joy in Heaven,
especially Uncle John and my parents, Magdalene and John. Your
wonderful memories of her will be with you forever.*

“ Helen,

I will miss you so much and looked forward to seeing you or talking to you each day. You taught me so much about friendship, family, life and how to be a better human being. By example, you lived your life with simplicity, understanding, integrity, trust, kindness, grace, dignity and love in various forms beyond measure. Your smile and the glint in your life lit up a room, made someone's day special and we all knew you loved us and cared about us as individuals. You made us laugh, you made us smile, you made us wish you were our mom too, your sense of who you were shined. On a bad day you gave us hugs, on a good day you made us smile a little more and always, you gave us "you"..what a gift and presence in our lives. We shared a friendship over the years that was unique and your family became a part of our Town Village family...you were "our light" and we always knew everything was right in the world when you were around us. I will miss John coming in the front door and asking where his "princess" was..your son ,loves you immensely. I will miss the adventures and stories of the trips to Kathy's home in Holly and the good times there you shared with your friends. Will miss Shirley coming to visit you and asking where "Mrs. B" is and you two going out to do so many exciting things. The beautiful woman you were reflects in all of our lives in so many ways. Thank you for all that you were..you left footprints on my heart ❤️ and memories to cherish. We have a new angel in heaven...keep the halo a little crooked so we know it's our funny friend who had some mischief in her and shine bright in the night sky..like the twinkle in your eyes... and most of all keep watch over us..we will keep the light on for you 😘 Love you always my friend, miss you deeply 🥺🇺🇸🙏🍷🦋🌸🌟🙏💕💕🥺

My prayers and thoughts are with your children, grandchildren, great-grandchildren, and all who had the privilege of having you in their lives.

Live, Laugh, Love and Dance among the stars with those you have been reunited with.

“ Dear Rakowski & Bozicevich Families,
When we think of Aunt Helen the word "gracious" comes immediately to mind. What a loving and wonderful woman! None of us has seen her in years but she was certainly lots of fun at mom & dad's (Rudy and Marge) 50th anniversary party. Our hearts cross the miles to all of you as you move through the next few days.

“ To Kathy, Johnny, Richard and Patricia, your mom, my Aunt Helen, was one of those few people who was born to be loved and emulated. I'll miss having her in the world, but will always remember her heart that took in everyone.
