“ Our condolences to Jerry, Debbi and the Cokewell family. What memories we have of Helen, the smile behind the table as we checked in on Square Dance nites, the encouragement of new comers thinking we'd never learn. She always had a good word for everyone, a smile, a hug, a funny story, she will always be remembered. She is truly in a better place and she has become your angel and will watch over all of you, she will remain in our hearts as well God Bless Everett and Lillian Salyers
