“ My grandmother was a great lady! She will be truly missed. She will be laid to rest next to the love of her life, my late grandfather Arthur! My grandfather and grandmother kept this family together for many years! I am 33 years old now and there is one thing, I never got to say; thank you for taking care of me when my mother couldn't! Now that both of my grandparents are gone, I can only hope this brings the family back together for at least one more holiday! I haven't seen any of you for years! I would like my children to know their family!
