“ Dear Ron and Dennis, My thoughts, prayers and heart are with you all as you say good-bye to your mom. I so wish I could be there to help remember, honor, and celebrate the life that was our dear Aunt Seka. She will always be remembered for her kind and gentle ways, her keen interest in ours and our daughters' lives, her feisty wit and the friendship that was so cherished by our mom. Know that we hold you all close in thought and prayer and will keep memories of your mom forever in our hearts. Much love, peace and comfort to you all. Kathy and Pat

“ Dear Ron and Dennis and Family, We will all miss our dear dear Helen. I remember when having my children at Beaumont how your dad came to my room to see me while he was working and going to visit your Mom as she worked at Jacobsons. We had such wonderful talks. A dear sweet lady will be missed by all. Love, Marsha and Mark Puz

“ Dear Farac family, Please accept my condolence over the loss of your dear loved one, Helen. I am writing to share with you the Bible's wonderful hope of a future resurrection. The scriptures tell us at John 5:28, 29 that soon the hour is coming in which all those in the memorial tombs will hear his voice and come out. This promise is held out to all mankind, including Helen. May the God of all tender mercy be a source of comfort to you during your time of bereavement.

“ For some unknown but wonderful reason I had been thinking about "Seca" the past couple weeks--not knowing that she was on her way to Heaven. I'm sure I can speak for my entire family that you have our deepest sympathy.

“ Dear Ron, Dennis, Pegi and Rita: One of my fondest childhood memories was camping with the Fabyan and Farac families. Who could forget such adventures of fall camping at Hartwick Pines with the hope of catching a glimpse of the Kirtland warbler or an eagle. Of course before we traipsed into the woods in our winter clothing, we woke up to frozen pails of water, unheated tents and frozen fingers. What a legacy our two Kuma's left us -- the pioneers of birdwatching. Now they are both watching heaven's birds while the two Kum's are sitting around a campfire smoking cigars. Love,
Cynthia
