“ Dear family please accept my deepest sympathy for your loss of your dear mother and grandmother Ms. Helen. Such a long full life. Please find comfort in God's promise in Revelation 21:4 where sickness and age will not be a factor "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.â? As the weeks pass please reflect On the fact that â??Jehovah is near to those that are broken at heart; And those who are crushed in spirit he saves.â? Psalms 34:18. I pray this helps your family as it has mine during loss.

“ Grams was such an amazing person. Her love for all of her family was so strong. She had a way to make you feel so special. The way her voice sounded when you walked into her room....she made you feel so important to her. She was always soooo happy to see you. I love how she watched the gorriest horror movies....she loved shopping at Hudson's, Marshall Fields, and then Macy's....dancing and salty foods! She always wanted to rock and feed her grandbabies while humming "la la la"! I love you grams....you will be dearly missed by many. :
