“ To my loving family, May we always remember the things taught to us by our wonderful mother/wife. She was a strong and loving woman who tried to live the life that God had wanted her too. She taught us many wonderful things to get us thru life and to sustain us through hard times. She taught us to be proud and to help others when in need. I am proud to have had her this many years in my life. I love you Mom and will deeply miss you. You will be in our thoughts for eternity. Thanks for everything. Your loving daughter.

“ I didn't meet my great-aunt until I had already graduated college. My first impression of this amazing lady was, "Wow, what a spit fire! And she can casually deal with my grandmother, her sister, too." I knew right away what a special lady she was, and will remain to be in my heart. My husband and I were fortunate enough to get to see her at several other family gatherings, and we got to know her better through stories and our emails. She will always be a bright and special memory that will touch our hearts for the rest of our lives. We send our love to all of her family, those we've met and those we haven't.

“ To the entire Jones family I wanted to send my condolences and prayers to you in your time of sorrow. I will truly miss Aunt Helen as she was a great person to talk to and be around. I felt very honored and blessed that she was able to make it to my wedding this past October. I will never forget her and Rene entering through the door of the hunting lodge during the rehearsal dinner as my dad was introducing Rebecca to the Reynolds family. It caused him to stop in mid-sentence, which is very tough to do. I will miss her.
