“ Dear Lockman cousins and families,
You were so lucky to have Aunt Helen for your Mom. She was the epitome of unconditional love. Family first and always. When our Mom and Dad passed away, your Mom made a point of sending us Oehler orphans birthday cards to make sure we were still remembered by family. Without fail, she answered each phone call and received each visit with so much love and excitement. Even when she wasn't quite sure who I was, she was absolutely delighted to see me. She knew I was family, and that was enough. Her passing is the end of an era, one that most folks wouldn't understand or appreciate. We were all so truly blessed to be children of the Klein girls.
Love to all of you,
Linda

“ To my dear friend Joan Lockman Roy & the Lockman family, I will always remember your Mom and being so sweet and kind. She always had a smile on her face and always welcoming. Your Mom loved to chat and I always remembered how close she was to her sisters. I am sorry for you and your family at your loss but happy for your Mom that she is reunited with her sisters and especially her MOMMA.

*In my thoughts and Prayers,
Love your Friend always....Sharon*
