“ I worked with Helen as a sacristan at St Mary's for several years. She was a joy to work with and always told me to take care of family first if I couldn't make our day to clean the church. She told me how her husband Glenn, also, the name of my husband built their home in Huntington Woods. I hope to have as much energy and faith as she did.

“ My family and I have lived on Hart Ave for 13 years and knew Mrs. Ross well. We stopped to chat with her nearly everyday as she sat on her porch. She often gave my children snacks and asked them about their day at school. In the summer, she asked them about their days spent at the pool and park and enjoyed hearing their stories. We've missed her these last several months and have thought fondly of her often. I think of her and smile every time I sweep my driveway or rake my leaves. Joyce Krom, Huntington Woods

“ It was a pleasure knowing Helen Ross. I saw her everyday while visiting my mom at the nursing home in Tawas.

“ Dear Ross family, I am remorseful about your loss and like to extend my deepest sympathy for your loved one Helen Ross. From personal experience I know that the death of a love one causes pain and grief and sometimes it seems unbearable. The Scriptures contain comfort that can assist us during times of distress. The ransom of Jesus and the hope of seeing my loved one again in the resurrection brought me comfort. I would like to share these three scriptures with you to give you comfort John 5:28, 29, Acts 24:15 and Romans 15:4. May the God of comfort give you peace and rest.
