“ Grandma, We are going to miss you so much. I have so many wonderful memories that I am going to treasure forever. You were always there for me and I thank you from the bottom of my heart. You made a promise to me 20 years ago that you would help me take care of Robby as long as you were on this earth. You kept that promise. You helped me raise a wonderful young man. He would not be who he is today with out you. I am so grateful for that. He loves you so very much and is going to be lost with out his buddy. You and him have a bond that is indescribable. I know you will be watching over him from heaven. Grandma, thank you for being you and being the best grandma ever.
