“ Dear Dennis, I was sorry to hear about the passing of your mother. She was surely a grand lady as I know that you are an outstanding gentleman. Surely you will miss her, but she will always be in your heart.

“ Margie, I never met your Mom but I know she was a very special lady from the stories you shared with me. I know you are going to miss her so very much. My thoughts and prayers are with you at this difficult time.

“ On the night she passed I had the most vivid dreams of the times my family went to her home for Labor day parties. Celebrating with all my cousins was always a fun time even if too infrequent. My grandparents were blessed to have you as their sister-in-law and now you're together again with them and your husband. With loving memories.

“ I have very fond memories of my only aunt, Helen. She is now back with her husband, my Uncle Henry, her grandson Jeffrey, and my Mom and Dad. Hope they are looking down at us with love as we look up to them with love. May she rest in peace. Diane K. Valade

“ I knew helen for just a short time, but it was precious time. Mary and Dennis allowed me to spend time with helen and read to this very fine woman who still had a sense of humor and held herself as the fine lady she was. I am honored to know Helen, Mary and Dennis who represent the best of the best when it comes to what family and love really mean. May Helen go in the peace that surrounded her during her final journey. Heaven has just risen a notch with a great new tenant. Max

“ Mom shared our home for the last 8 1/2 years and became an integral part of our lives. We have a lot of good memories and pictures, but will still miss her every day.
