“ *Tuddy, you will be sorely missed. My heart is broken, terrible loss. I met a manager that worked harder than anyone in that place, became a friend that cared and gave wholeheartedly, a protective sister and mother to everyone you met and everyone who knew you LOVED you. You brought class and dignity in a gathering and a warm hug when needed, touchy-feely you'd say. At times I would complain about work and you would gently remind me if it wasn't for that place we would not have met, what a loss that would have been. You have enriched my life and I am forever grateful and honored to have had you for a friend.
I love you Tuddy, forever in my heart you will be. Until we meet again*
