*I will miss seeing Helen sitting in her spot. Helen always had a smile on her face. I enjoyed working with her when she headed up pierogi making. You were there if someone needed your help. You will be missed Helen. Rest in Peace and May Perpetual Light Shine Upon You Helen.*

“ Oh Helen...our hearts are truly broken....I remember the first time we met out in the parking lot at church. Never realizing what a big part of All Saints you would become. Whatever you were asked to do, you would willingly do so. You loved our church and we loved you right back. What I remembered the most was talking with you about your granddog Kona. You always smiled when you talked about him and cried when he crossed over the Rainbow Bridge. I also never told you that you held a special part in my heart because you graciously took over doing the pierogies that Linda lovingly chaired until her death.

I'll miss you Helen. May you and Linda Rest in Peace forever talking about those pierogies in Heaven. Love you "Helcha" Love Marcia & Dwight

We are so sad to hear of your passing. We loved you and Bob and always enjoyed our get togethers. You were the best cook ever. We remembered when we came to help with the pierogies at your church. We have sent heaven another angel. Such a nice friend. 🙏

Sorry to hear of Helen's passing. Remember her well from the good old Flickinger days. Helen was a very kind and special lady. She always made sure no one went hungry. Sending prayers and good thoughts to the whole family.

I love you Helen and all the memories we shared remain. close in my heart. We had so many laughs together. You were most assuredly my Little Nalesniki. You always laughed when I called you by that name.
