I can say with certainty that Mr. DeMil was probably one of the nicest people I've ever met! He was always very humble, respectful and just 100%. I was fortunate and met him when he came into my office and immediately adopted him as if he was my own dad. Everyone knew that no matter what he needed they had to make sure and run it by me so I could make sure it was in his best interest, he literally made our day! He will be very missed. If everyone had just a percentage of the humility and humbleness that he showed us, this world would be a better Place .

“ *Henri was one of the hardest working farmers I know-he was so knowledgeable about everything-could always answer question I had about farming. Knowing he was such a ‘greens’ growers I built a machine to harvest collard greens and will always think of him when I harvest. He will be missed- Rest In Peace Henri*
