“ *Karen & Susie*

I'm so sorry for this huge loss. I know this has left a huge hole in your heart. ❤️ I'll always remember the weekend card games with your parents, Aunt Edna & Uncle Henry and my parents, Nick and Sophie. A bunch of die hard gamblers. Maybe that's where we got it? And us kids were left to entertain each other. I have memories of always fixing Susie's hair. Her hair was so beautiful. Such fun times. The relationship you girls shared with your Dad was so very special. Yes, you were so blessed to have him. But he was also blessed to have 2 adoring daughters. God Bless you and give you strength during this time of sorrow. ❤️

“ I am going to miss you so much. I wish I would have called more but I hated to bother you after you had spoken to Susie. She would give me all the scoop. I hope Mama and Curtis were there to meet you. You can now dance bowl golf and gamble with Mama. We know how much you missed them both. We want to thank you for everything you did for us, whether it was repairing something around our house, giving us you old riding lawn mower or repairing the lighting in my Light Cross. For giving me the Mary statue for my Garden. I will purchase the solar angel statue for you. You had so much fun with my kids, constantly teasing them but loving them so much. Kimberly bowls for you now. Thank you for making all the Swedish cakes for Stephen and Becky's shower. Also for the sauerkraut. You always told us that you made the best. After Mama died, we didn't have to teach you anything -. Your checkbook balanced every month, you did learn how to make czarnina. Don't know how good it was cause I didn't eat it. Your potato pancakes that you would make for my birthday were the BEST. I will miss them. I will always remember how you and Stephen would joke around at the K of C bowling tournament, just wish you could have bowled in it one more time this weekend. Mick and Stephen will keep up the tradition. Thank you for sponsoring Mick and Stephen in the K of C. When Curtis was in the accident, how you and Mama dropped everything and stayed down here for a month or so to take care of Kellie who was just a newborn. Always giving of your time for us. Please remember how loved you were by your family and your friends. You WILL be missed. Til we meet again, I love you with all my heart.

“Dad, you don't know how many tears I have cried for you already. You don't know how much I miss you. You have done so much for me. I tried to do everything I could to make you proud of me. You mean everything to me. I can't even begin to write everything I've been thinking. I know you worried so much about my own medical issues which you didn't have to. It was my time to take care of you. I can't even find the words to say. At least I know your no longer dealing with the medical issues that really was depressing to you. You have so many people who really are going to miss you. Now you can go to the big casino in heaven with momma and Curtis. You can bowl in heaven with no pain. You left this world a winner at the casino last time we went. I was so happy to see you smiling and enjoying yourself. Even while in er you still had your sense of humor teasing the young nurses when you didn't feel good. Now your no longer in pain, you can hear what everyone is saying and no longer have to deal with all the medications, which you hated. Mollie misses you as well and we will take good care of her and keep spoiling her (or as you put it, treating her right) like you did. Until I see you, momma and Curtis, I will think of you every minute. I don't know how to go on without you. I'll still try calling you everyday, twice a day like I use you. I love you so much. Until I join you in heaven. Love Susie 💕💕💕💕💕💕💕💕💕
