“ *In thanksgiving to God for Herman Dishman.
He was helpful in getting me through algebra.
His kindness lingers, his friendship I treasure.
He always stopped by to say hello when I was
in my library office.*

“ *Mr. Dishman was a valuable volunteer for many years in the Royal Oak Dondero High School Learning Center. He was especially helpful with Algebra and Geometry. I know many students who would have had a much more difficult time passing these classes without his help as a tutor. He offered his services after he retired from Detroit Edison and for all the years until he moved to the Chicago area he was there on time and willing to help any student who visited the Learning Center. He was recognized with a Volunteer Award by the Oakland Press. As the Learning Center resource teacher, I became a friend. He will be missed. My thoughts and prayers go out to his wife and family.* Bob Stevens
