“ I'm sorry to hear about Herman. We grew up 3 doors from the Klingelhofer's Wesner's on Hillcrest in Grosse Pointe. I attended his mother's service and heard several times from him since, but years ago. We were near the top of the street with the white picket fence and lots of Model T's being worked on by my brothers, plus all the animals that we had. Linda might remember. I'm sorry I didn't make it today but I'm just reading about it now. Please know that my brother Bill and I are thinking about you at this time. Blessings to you -Linda Hart Hutchison

“ Enjoyed working in the same group with Herman many years at the Fisher Body Tech Center. Always joking, and fun to be around.
