“ Dearest Mrs. LaPlace... I am the daughter of Bill and June Hildebrandt from Morang Drive. I remember picking you up to go to the local greenhouses to pick out tomato plants for your garden, and then enjoying them at the end of summer. My father enjoyed going to the greenhouse with us. He died in January of this year. If you are tending gardens with him in Heaven, please tell him that I said "hi". The street isn't the same without you. You will be missed.  
Sincerely, Kathleen Vitto

“ Hattie-- Please know that your neighbors appreciated your gentle smile and will miss seeing you walk down the street off to your favorite place, McDonalds. We will miss your delicious tomatoes which you shared with many of us. In case we didn't tell you enough, you were a fine lady, a strong woman and a friendly neighbor. You are probably looking down on all of us, heading off for your daily walk, but now those walks are in heaven. May you rest in peace. The Chudzik Family
