“ Dear Hobie....May you finally be at peace without all the craziness and darkness this life can shed upon us. You were loved so much by my sister Kelly and my nieces and nephew, Miranda, Chase and Ella. I know you knew how much they loved you and how you thought you were doing what was right by them. It saddens my heart and I too think of you everyday. You were always so awesome with my boys...like kick butt nephews you needed to talk about what you loved most, sport's and especially baseball. I am sorry you felt you needed to leave this earth way too soon. I know you will be cheering for Chase and Ella from high up while they are hitting homeruns for you. We will make sure Ella loves baseball as much as our whole family including you did!!!!
