“ I was fortunate to have Mrs.M in my life, though for only a short 8 weeks. She was one of my instructors at college. She had such a positive attitude and such a witty personality and sense of humor. Things are going to be different at school. My thoughts and prayers go out to her family.

“ Words cannot express how great of a woman Ms. M was. Without her guidance, patience, and kindness, I don't believe I would be where I am today. She is honestly the best teacher I have ever had. She picked us up and believed in us when we didn't believe in ourselves, and kept us pointed toward our goals. I know everyone from the class of 2010 will truly miss her. My prayers go out to her family, friends, and all the students who she helped mold into successful hygienists!

“ Dear Miliazzo family, I am remorseful about your loss and like to extend my deepest sympathy for your loved one Holly Migliazzo. From personal experience I know that the death of a love one causes pain and grief and sometimes it seems unbearable. The Scriptures contain comfort that can assist us during times of distress. The ransom of Jesus and the hope of seeing my loved one again in the resurrection brought me comfort. I would like to share these three scriptures with you to give you comfort John 5:28, 29, Acts 24:15 and Romans 15:4. May the God of comfort give you peace and rest. Mrs. Higgins

“ Ms. M you were such a beautiful, hardworking woman. I LOVED so much about you! You were the most inspiring teacher I've ever had you believed in me to be the best and I can't ever thank you enough for all that you've done for me. One of my greatest memories with you is when Amanda, Amy, myself, and our baby girls came to your house to visit a year or so after graduation and you made us a beautiful dinner and we just laughed and talked hygiene and life, got to meet your amazing son and play with your kitty : It was a day I will never forget. Love ya always.

“ My most memorable times with holly were inspirational! I was lucky enough to have been a student of such a great role model . One of my favorite memories is when she was in the middle of teaching and would start talking about her son. She would share these great stories about the experiences she had being a mother to this wonderful boy that she loved more than anything! She made me want to be a better mother, and enjoy every moment with my children. I want to thank you Holly, for giving me the joy you felt when you were with your son, that I now share with my children.
