“ Marla,  
*I enjoyed some good times with you and your family and miss you all, including buster. Hoyt was a dear friend and we had some good times together. Got into some trouble at times and did things we weren't suppose to, but that's what kids did. The last time I saw Hoyt was in Tampa, FL and he got to meet my wife Christine. We shared stories of past and present, had some good laughs and wondered where time had went. Hoyt looked good last time I saw him and I know you two were close. I wanted to let you know I heard of Hoyt's passing through our old, but young friend Bill Lynch, and even though we don't see each other, your are still in our thoughts and prayers. I would love to see you when I make it to Michigan. Maybe next year my brother Dave and I will be able to make a road trip, and with Bills help we will all get together. Take care of yourself.*

*Thanks Mark. I appreciate your kind words. We often talked about everyone we grew up with. Even though we haven't seen each other in years, both Hoyt and I called all of you our family, because we were all so close growing up. Thanks again.*

*Hi Marla:  
I used to work with Hoyt in Troy until maybe 2009? I did not keep in touch with him, I'm sorry to say. I did visit the busienda once! He was a good guy, and I'm sorry for your loss.*

*Hi Dave. I'm sorry I didn't see your post until now. Thanks for your kind words. Hoyt was a good guy. He died of lung cancer. He was only 54. Was that PEA you worked at? He had some stories there. He was very funny. Thanks again.*
