“ Dear family, I am sorry about your loss and like to extend my deepest sympathy for your loved one Ila Olmack. Releasing and expressing grief is not always easy; especially, when you have to seem strong for other family members. Job and many others find that talking about your feelings to a true companion who will listen patiently and sympathetically can bring a measure of relief. Proverbs 17:17 And if the listener is another bereaved person you may be able to glean some practical suggestions on how you can cope. Never keep things bottle in.
