“ *I was profoundly saddened to hear of Ingrid's passing. About 35 years ago, we were good friends in junior high and high school. I remember her so well because she was very smart and funny. We were Red Wing fans long before it became fashionable. Rest in peace, my friend*

You are in our thoughts and prayers during this very difficult time.*

“ I am so very shocked to hear the news about "Mrs. Alter". I was one of her students back in 1989. Her children's photo sat proudly on her desk. She spoke of them so often I felt I knew her family so well. She was still so fragile from her father's loss. She had wanted her dad to have lived to see his grandson . She often spoke about the fun she and Pat had in the years before they had the kids. She had so much energy and strength of character. I admired her very much. I will pray for your family. Lisa.
