“*Joan and siblings-Your Mom was so special - truly one of a kind - who always lived life to the fullest. She valued family and friends and her kindness, strong faith and energetic approach to life were an example for all of us. I vividly remember our carefree days at St. Clement, dinners and sleepovers at your house, your Mom driving us to so many social activities including the Auto Show where we got lost for what seemed to be hours at Cobo Hall. I'm sure your Mom was not happy with us but I don't recall her ever losing her temper with us. AND she continued to cart us to events! It was wonderful to hear about her 90th birthday celebration last year with family and friends. She was one in a million and I'm sure she's already organized a card party in Heaven. Warmest thoughts and prayers are with all of you - God Bless.*

“*I am so sorry to hear about Irene's passing; my sympathy to the family. Irene was a neighbor, a member of the Pinochle Club, and a fellow employee of MISD. Irene was always fun to be with....and an excellent Pinochle player. I am so sorry I won't be there for the funeral as we winter in Florida, but I will be there in spirit!*

“ Dear Julie, Joanie, Janet, Dennis, Tom & Ben:I have so many fond memories of your mom growing up. She always had a smile and something funny to say. I loved her sense of humor and we could always count on a quick witted response to whatever we were doing. I hope you find comfort in knowing that she lived a long and full life and that she is in a better place with your dad.
