“ Dear Karen: I want to extend my deepest condolence on the passing of your Mom. She was a character that I will never forget, strong, honest and hard working. I will always remember the parties and family get togethers, hearing the parents laughing and playing pinochle in the kitchen. They are memories that will keep you going when you are sad. I know, it helps me. We'll keep in touch. Love, Mary

“ Dear Karen, I am so very sad to hear of your mom's passing. When I lost my mom recently it was a shock to me because even though she was up in years she had been there for so long and I guess I had to come to grips with the fact that she wouldn't be any longer. It's very difficult at first but as time passes it becomes easier to accept. My deepest condolences. Matt Nowakowski
