“ *My heartfelt thoughts are with the entire Guest family. As a kid growing up with Barbara & Pete (Maggie & Phil were the older siblings), I relished my time hanging out at the Guest home (not to mention the bonus of baked goods at all times). Irma was a warm and welcoming neighborhood mom. I recall her as a very strong woman with smiling eyes, boundless energy and great wit. I was in awe of her magical ability to create beautiful things out of any material she had on hand. R.I.P Irma Guest. Peace, healing hugs and strength to you all. Take care, Elizabeth (Betsy) Wilder (Washington State)*

“ *Heartfelt sympathy to Pete, Lisa and all the family. I have several of her beautiful smocked ornaments that are placed on my Christmas tree each year. I also remember her wonderful Christmas cookies! Each of them perfect in detail, making you almost not want to eat them! They were too yummy not too. Enjoyed her laugh and smile.*

“ *My heartfelt thoughts go out to Bumbles family, Phil, Maggie, Barbara and Pete. May all the times shared with her remain sweet memories. I have always cherished time I shared with her, whether a delicious family dinner or a hard fought round of scrabble. May God comfort all of you.*
