“ Dear Jarinski famalies, I was very saddened to hear about the death of your Father. I have some fond memories of both your Dad and Mom. They enjoyed life so much and that joy was spread to all who heard their laughter. It is my belief that our Moms are at the kitchen table in heaven sharing stories about their kids and our Dads are on the porch having a beer and solving the worlds problems. I am truly sorry for your loss and my thoughts and prayers are with all of you in this time of sorrow. I wish I could pay my respects in person but I live in Nebraska now and I am unable to travel east at this time.

“ Dear Carol, Vicki and Roger, and your respective families: I was so sorry to hear about your Dad passing. I am the youngest daughter of Art and Lenore Gordon and Carol, Maggie, Martha, Maureen and the late Jenny's sister. Your folks meant so much to our family as we were growing up and your Dad was a big part of our younger lives. He seemed bigger than life to me and was a joy to have around, and I will miss him. I was saddened to hear about Glen having died, as well. Two deaths so close together, and Glen being so young is really rough!! My husband died 3 years ago at the age of 57, so my heart goes out to Glen's family especially, and all of you. My prayers are certainly with you! Your Mom and Dad and mine are probably having themselves a ball right about now. With Sympathy,
