“ Dear Sharlene and Family, I couldn't be there in person to let you know that my thoughts and best wishes were with you today. I can remember as a kid having many dinners to the sound of Ivan's tractor chugging away in the field. The farm also provided us kids with our first taste of some cash to call our own and it was a nice experience having the opportunity to be involved in working on the farm. Wishing you peace at this time of loss. Fondly, Sharon Ross Boyd

“ Sharlene, Ronnie, Alan, and Deanna, Our hearts are with you at this time. We are sorry to not be there with you- we just heard last night Monday of Ivan's passing. Bless you for all the love and care that you've given to Ivan with his long term illness... You are indeed a loyal, loving family. There are not many people who have opened up their home and hearts to non family like you all have done for my family and I hope you know that we love you, appreciate you all, and our thoughts are with you especially now. I first recall Ivan as a four or five year old when my family lived off of Avon Rd. You all allowed us to fish on the lake- and I knew Alan from Bible Class at Rochester Church of Christ....that was probably 1968 or so LOL.... Y'all are still giving and loving! Prayers for you, with much love sent your way. David, Wendy, Casey, Cody and Denise HannumLong Bottom, Ohio
