“ *My grandma was an amazing woman. She took care of me so much! I lived with her for 2 years, and we got even closer then we were. She was so supportive with me, and never judged me. I'm glad I got to visit with her, and share patty melts with her recently. She always helped me through everything. She was so loved by many, and I'm gonna miss her so much.*

I love you grandma, may you rest in peace with grandpa and your other family members that passed. You are at peace now, and not in pain. Thank you for everything you did for me and Jerry. I'm gonna kiss your hugs, and kisses so much. ❤️
