“ *Uncle J. Ottie was a very Special Southern Gent. He could be quite opinionated at times, had a great sense of humor, and he was well loved by all who came in contact with him. I had many fun times with He and my Aunt Mary and my cousins Barb & Ken. He lead a long and productive life and is now with all of those who passed through those pearly gates before him. Oh what a reunion they are having ! I know he will be greatly missed by those he left behind here on earth. I wish I had been able to say my final farewell, and to be there in support for the family,just know I was there with you in my thoughts today...I know we will someday meet again on the other side... Our Thoughts,Love and Prayers for God's Comfort for you all at this Sad time...XO Becky Sue & Hugh*

“ *J. was quite a man! Please know that our family is mourning his passing and it was a hard decision to not make the trip to MI, but after Sue's fall, it would have really set her back. She is so sad and speaks very fondly of J. Sue said yesterday that J. was a good man and everybody who knew him, loved him. Our prayers are with the whole family. Don and Kim Silvestri and family*

“ Time to say goodbye to the healthiest man I knew. Cutting grass in your 90's; unbelievable. You lived a great life, and it was nice knowing you as a neighbor all these years. Time now for the rest you so deserve and to meet up again with those you love. Farewell and God bless.
