“ *Dear Brenda and family, I just want to let you know that you have been in my thoughts and prayers. I can't imagine how hard it must be to lose a Father. I only pray that wonderful memories of him will flood your mind and heart, and that you'll feel much love and support from family and friends. Much love, Ruth and Matt and Kirsten*

“ *My dad was well liked and touched the lives of so many people. I only hope that I can learn from him and be half the the person he was. It was very comforting to see all the people pay their respects and share their stories with all of us. I loved my dad with all my heart and will hold all the wonderful memories I have of him deep within my heart. Until we meet again dad! I Love You BUNCHES & BUNCHES! Love, The Ugly One*

“ Jack, you were my big brother and no matter the reasons that kept us apart. I have always kept you close in my heart. And so proud of who you were. I will always remember you, the ruffling of my hair calling me sis, when we were young. Good bye my big brother..

“ Jack Armstrong was the young man that had the greatest positive influence in my life growing up as a young girl. Even as a teenager himself, at the time, I learned so much from him about life and how to care and love people. His kindness, patience and understanding touched my life and my families in many ways. I have so many memories of first's, they are too many to name them all. He bought me my first fast food burger, first ride in a canoe, first time driving a car and many more first's. Jack was truly a blessing to every one he knew.

“ Our family will really miss Jack. He was a great help to us during our move into #157 in Woodberry Estates. He was always smiling in the midst of it all. He was the best and can never be replaced. Our family will remeber Jack forever. Our prayers are with your family. Your Jack was 1 in a million.

“ Dear Yvonne and Family, Words never come easy when one is trying to express the grief they feel for a friend who has just lost their Dad. I pray the Lord will comfort you and your family with peace and strength as you move through this time of sorrow. Blessed are they that mourn: for they shall be comforted. Matthew 5:4. Please know you are on my heart and in my prayers.

“ I have two very fond memories. One was when we used to visit my family in Cadillac. Jack always insisted on taking the kids something special - all 12 of them; whether it was just candy treats or games or just a promise to do something special, he always included every single child. He was a "big kid" himself. The other precious memory was the day Brenda was born. She became the light of his life - and I am sure she still is...he will be missed by all.

“ Just the thought of Jack and his never-ending smile will always bring a smile to our faces. Our daughters thought the world of him and the kindness he showed them when they were just little girls. We will all miss him dearly. There is a special place in heaven for you, Jack! May God bless and keep you in his heart, Edna! We pray for your strength!

“ We are thinking of you and your family in Manton Michigan. Jack was so awesome with us kids when we were little and I have several really great memories of him. He was spunky and outgoing and I think he was intentional in his efforts to create these memories for us. He was a kid at heart and we thank God we were participants in his many adventures. I am sure he had no idea how much he touched our lives. He gave us the opportunity to laugh and experience things we might not have otherwise had the opportunity to experience. I will cherish the memories of Jack forever. Teresa
