“ I am Jack's daughter Tammy. We lost our mother only 19 days after
our father. I just now thought to look at this guest book as I am up
most nights feeling like I've misplaced or lost something. I guess I
am still looking for my parents subconsciously. It was really nice to
read what others have written. Every time I talked to my dad he told
me about his online friends and his card games. He truly loved his
time spent playing. Thank you for all of your thoughts and for
remembering my dad well.

“ Dear Marie, Jack Jr, Tammy, Penny, Cheri, My sincerest condolences on your loss. You are all in my thoughts and prayers. I knew Jack as Imbrjk42 from online pinochle. I was a teamie on several teams, cappie on 2 teams, and played many games as his partner. He was good at pino, but more importantly he loved the game. He always greeted his partners and the opponents with "GOD BLESS". He had to have typed those 2 simple words thousands of times to both friends and strangers. Now it is his turn...may God grant eternal rest upon him, may his soul rest in peace. GOD BLESS our dear Imbrjk42! I will miss him dearly. He has won a place in my heart. Thank you for sharing him.
