“ Jake we were supposed to visit together for chicken wings in March, I'm going to miss your sense of humor, and the fact that you were sure your "own man", rarely letting anyone changing your mind about what you were going to do in life.

“ Just wanted to send our deepest regrets from our Family to the Family and Friends of cousin Jake. I remember the first time we all went down to Florida to visit Jake, Mary & Bob. First day there, Jake drove me all round the area for a tour & we talked up a storm. Had a great time that first trip with the 'Three Musketeers'. Won't be the same without Jake & Mary. They were such dear hearts. Jake had such a sense of humor too. Last year, when it was Bob's turn to cook...Bob, Marcella and I voted for 'Corned Beef & Cabbage. Jake wanted no part of that. He went out for fast food. Next day when it was his turn, he got three pounds of hamburger and made the four biggest burgers I've ever seen and a mountain of fries. He ate his like it was a snack...gone in no time. Took me longer, but I finally finished it and fries...took me two cold Buds to get it all down. I could hardly move. Jake really laughed about that one. Jake...We're gonna miss you and your sweet sister Mary.

“ Jake will be truly missed, he had a great sense of humor and a huge heart . One of the things I loved most about him was watching him eat. He sure loved a good meal. I remember on more than one occasion him calling and asking me Angie can you make me some breakfast burrito's, of course I would and he enjoyed that so much. It was just as much of a joy to me watching him meticulously add all the side items until it was made just to his liking then he would proceed to slowly enjoy each bite until his plate was clean, then start building the next one. He was a character. I know he really loved family his kids were everything to him and vise versa they had a great relationship with each other. I am truly sorry for their loss of not only a father but a friend. God Bless
