“ Dear the Sisak family, I got the pleasure of knowing Jackie while volunteering at the Henry Ford Macomb hospital. She opened my eyes of why I really want to be a doctor, to help others like her. She also made me become a better person. May God give you all the strength this holiday season Love, Jessica

“ Jackie loved talking about her husband, daughters and grandchildren. She loved people, life and had a sweet soul. She will be missed. I will remember painting, talking on the phone and traveling to Hoot together, but most of all I will remember her kindness.

“ Lisa and Natalie, I am so sorry for your loss. Your mom was one of a kind. She was beautiful inside and out. Growing up she was like a second mom to me in so many ways! Have peace knowing that she is no longer suffering and is with your father. Much love, Rhonda and Family
