“ *My heart aches with the loss of such a sweet woman I was so lucky to call grandma. When I lived in my condo she would often stop by when she was out and about, once Audrey came along the visits would get more frequent and we didn't mind :) I knew she loved seeing my little sweetie. I cherish every day we had together. My girls loved their grandma B so very much. There was always excitement when I asked if anyone wanted to go see her. It breaks my heart that they don't get to create any more memories with her. We will miss our visits and her hugs and kisses.*
