“ I am so saddened to hear of the loss of a wonderful daughter, sister and mother. Words are hard to come by. She is up in heaven keeping her cousin Bill company and being a guardian angel to us all. The lesson at a time like this is not to take anyone you love for granted. Please know that your family is in my thoughts and prayers. Much love to you all.

“ Dear Joey, Tristan and Tavish how my heart aches for you three. Your mother was a beautiful soul and an amazingly talented woman. She was always giving of herself and time. I could always count on her to help me out in the classroom, whether it was a party or special project we were doing for the class. Whenever I called her there would be your mom with that contagious smile standing in my doorway ready to help out. She held all three of you dear to her heart and was extremely proud of all your accomplishments! My thoughts and prayers go out to you three. Please know if you should need anything, anything at all, I am here for you. All my love and prayers Mrs. Leo

“ For My Sister Jacque, In Loving Memory They say memories are golden Well maybe that's true But I never wanted memories I only wanted you. In life I loved you dearly In death I love you still In my heart you hold a special place No one could ever fill. If tears could build a staircase And heartache build a lane I'd walk the path to heaven And bring you back again. Our family chain is broken And nothing seems the same But as God calls us one by one The chain will link again. Since you'll never be forgotten I pledge to you today A hallowed place within my heart Is where you'll always stay.

“ No matter how old we are, Losing a mother is one of the deepest sorrows a heart can know, But her goodness, her caring and her wisdom live on, Like a legacy of love that will always be with you.
