“ *Uncle James it is truly a blessing to have known you and to have loved you. You were always so happy, loving and care free. You were such a wonderful, beautiful person inside and out. No words can express just how much you will be missed. In our hearts forever and always. Love you, Sheryl and family*

“ These quotes were given to me at a time of loss and I thought you may find comfort in them as we did. How true they are. If tears could build a stairway and memories a lane, I'd walk right up to heaven and bring you home again. When someone you love becomes a memory, the memory becomes a treasure. Uncle James will be tremendously missed by ALL who knew him. He will live in our hearts forever!
