TO

“ James Wesley Davey was my great-grandfather. He was one of my greatest remodels, He meant a lot to me and I was so sad when he died and to this day I am still very sad. He would make me laugh and he would take me on his tractor sometimes and mow the lawn with him. I wish I got to say goodbye. I love you so much grandpa.

I'm sorry for your loss. My grandfather was also on the same ship as James in World War 2. I'm sure they had their stories!
