“ *Janice and Family, I was looking up an obituary today of a former patient of my company and came across your father's name. I only met your father once but I know he must have been a great guy. My thoughts and prayers are with you and your family. Sincerely-Paul Schoenherr a friend from college.*

“ *I worked with Jim at old #7 in the late 1960's and early 70's. I remember his family was already into camping while mine was just starting. He suggested going to Stroh's Brewery where we could get empty beer cases, paint them, and use as storage for camping equipment and kids' clothing. Coincidentally, I was using those beer cases which we still use for storage on the day I learned of Jim's death. My deep felt sympathy to Joyce, who if I recall correctly my wife Justine and I met on a couple of social occasions. Our thoughts and prayers are with you. Mike Saski*

“ Dear Joyce: So saddened to hear about James passing. I enjoyed many days working and socializing with Jim at old #12. I'll always remember in 1982 when I made my first flight to Las Vegas. I was petrified to fly and going with you and Jim helped me cope. My prayers are with you and your family. With deepest sympathy,
Gordon
