“ I am very sorry to hear about Mr. Meeks. I remember him with that great smile. Whenever my family and I visit we would see your Dad on the porch enjoying the evenings. My deepest sympathies and prayers are with all of you. God Bless, Love - Katy

“ I am so sorry for your loss. My memories over the last 40 years have always been the same of this kind and gentle man. You always knew you would get a smile as he drove down forestdale in his big car...or at least it always seemed big when I was little. My thoughts and prayers are with you all during this sad time. I am also attaching a writing I included for my father-in-laws passing in November: "You can shed tears that he is gone Or you can smile because he lived You can close your eyes and pray that he would come back Or you can open your eyes and see all that he has left. Your heart can feel empty because you can't see him Or you can be full of the love you shared. You can turn your back on tomorrow and live yesterday Or you can be happy for tomorrow because of yesterday. You can remember him and only that he's gone Or you can cherish his memory and let it live on. Author Unknown Love, Polly
