“ *Well..I know i'm just now signing this but I didnt know how to act or even what to say when i first found out. I really still dont know how to express myself. I wish more than anything that i could be there for everyone, 'specially evan. I had so much fun with you guys. I just still think i'm stuck on the fact that it cant be real. The last time i seen everyone, things were ok...Its crazy how you go away and then something like this happens its makes you really think. James we had our fair share of fun lol i miss you and think about you. I hope now your in a better place where you cant feel the pain that you must of felt here. See you soon someday till we meet again

“ Babe, You were my boyfriend, my love, and best friend, and i will never forget what we had. You touched so many lives in a good way, you will never be forgotten. You were the life of the party and we all miss that! There is never a day that goes by where i dont think of you. I just look at our pictures and want to pick up the phone and call you. Everything i do reminds me of you. I sleep with the stuffed animal you got me for my birthday every night. What i would do for one last hello, one more beautiful smile with those dimples, laugh, hug, kiss, one more time you tell me "i love you babe" and most of all to tell me your ok. I know you are up in heaven watching down on all of us, but one day just please send me a sign. All i have left are our special memories we had and i will hold them forever in my heart! this is so hard to deal with but i know i will see you again when its my time. So good bye for now my angel R.I.P James I LOVE YOU AND MISS YOU SO MUCH!!!

“ God saw they were their happiest and someone would not let that be. So he put his arms around them and whispered, " Come with Me" With tears filled eyes we watched them suffer and fade away. Although we loved them deeply, we could not make them stay. A golden heart stop beating. Hard working hands put to rest. God broke our hearts to prove us, He Only Takes The BEST. Rest In Peace James you are going to be missed
