“ My dearest Uncle Jay, you always have held a special place in all of our hearts. You are missed so much already. There has been so many happy memories with you that will always be cherished. I will defentily miss our conversations and all the wisdom you gave to me. And your laugh especially. My family and I love you very much and will miss you greatly. It's never easy to say goodbye to someone so special but we will at least know you are at peace and are with other loved ones. And as you look down from the heavens you will always know how much you mean and are loved by all. Miss you love you our dearest Uncle Jay.
