“ We are so sorry to learn about the passing of Dear Jim. He was a wonderful, kind and genuine man who was a joy to be around. We knew him and his loving and cherished wife, Marge, from Shrine parish for many years. He was always so friendly, and he had a great sense of humor. He was a faithful and deeply prayerful man. He would often show me cell phone pictures of his family whom he dearly loved. We will miss him and his humble, down-to earth manner. He made a difference in this world by being the man he was.

May you find comfort in knowing that he is no longer suffering and that he and Marge are safely in the arms of God. May He Rest in Peace.

“Dad,
You are missed everyday. I keep thinking of the things I want to tell you about, or ask if you seen a program on TV that we both watch, or were you able to play cards. When we would talk about your eventual leaving, you would say “I want to be with your mother”. I always responded that I didn’t want you to go as I didn’t want to miss you like I do her. I just wanted to hang on to another very important person in my life. The true meaning of home for me has always been my family. My hope is that you are with mom, and happy again.

Love you dearly,

Kathy

“ Hey Gramps, I'd be lying if I said I don't already miss your voice and how it resonated through the house. We've shared more than just a name since I was born, and for that I am thankful. I cherish the time spent together, specifically the lessons you imparted and stories you told. When playing cards, you taught us to rely on your partner for 1, so I'm glad you're back with the best partner imaginable. I will miss you terribly.

“ *He was an amazing grandpa who will be missed dearly. He was a strong, quick minded, and generous person. I've been incredibly blessed to have him and will always treasure being his baby granddaughter. He will be in my heart forever.*

“ *So sorry to lose a friend for over 50 years but I know that Jim is now united with his beloved wife of 60 years, Marge. Jim was a Korean veteran who rarely talked about it but truly honored all vets his entire life. He loved bowling and of course, Euchre which he played until his passing. Jim also had great faith in God and for many years attended daily Mass at the National Shrine in Royal Oak. A lifelong member of the Knights of Columbus and the American Legion, although many of his closest friends have since passed, Jim will certainly be missed by his many friends he still saw on a daily basis and of course, his loving family who were his whole life. Rest in Peace my dear friend.*
