“ I am so sorry that my mother and I were unaware of his passing. She just asked me today if I could look up and see if he had passed. She saw something in the paper. We would have come to pay our respects. Please tell the family that Doris Law and her daughter Debbie are so sorry to hear of their loss.

“ Dear Mary and Tom: Growing up I would see Uncle Jim on a very regular basis. Jim was married to my mom's twin sister, Mary L. Glanville Kammer. We would socialize as families, basically every week for a period of at least ten years. Sometimes we would go out on our families boat or swim in our pool, other times we would go to the area where the Kammers had there camper/mobile home or swim in there pool. Sometimes we would just have Sunday dinner together. All good memories. I kept in touch with Uncle Jim through the years as our lives changed. In fact, I just spoke to him on the phone about two weeks ago and things were not sounding to good. He was upbeat about his situation. Jim lived a long life. He enjoyed himself. He liked going up to the camper, fishing, listening to Detroit Tigers games on the radio while sitting on his back porch. We had a few conversations last year about that great Tigers team that fell just a little short. If I have one memory of Uncle Jim that stands out it is that he enjoyed being around people. Put a cold Pabst Blue Ribbon in Jim's hand and have him hanging around his friends at a campsite and Jim's a happy man. Jim is now reunited with Mary L. Kammer, son Kurt and brother Bud. RIP!! You will be missed. Thanks for everything that you did for me through the years, I APPRECIATE IT!

“ Dear Kammer Family, I wanted to write and express my deepest condolences for your loss of James. Loosing someone we love is definitely one of the hardest things a human being can experience. Something that has always brought me comfort when facing the death of someone I love is the promise at Revelation 21:4, there it says, "And he will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Just imagine a time when all of your loved ones will once again be with you, and you will no longer have any reason to cry; that truly is a beautiful promise we can look forward to. I hope this message is able to give you a small amount of comfort at this trying time. Sincerely, Irene

“ Good bye to my favorite Uncle. He was always smiling and making others smile, too. I remember many years ago I'd occasionally find him on the side of the roads fixing telephone lines. I'd always stop to see what he was doing and say hi. Uncle Jim would always stop what he was doing to tell me something that would make me laugh and that made him smile even more. I'll miss you Uncle Jim. Love, Tina
