“ Uncle Jim was always my favorite uncle. He came to our mothers service in July of 2011 I was lucky enough to sit next to him at the luncheon for her. It was fun to talk about all the childhood memories. Jim's wife Agnes was our mother's sister and we spent many good times together at holiday celebrations and many summers. That is the last time I saw him. I loved uncle Jim and always will. Even though I live across the state I would have come to the service for him had we known.
I am with you all in spirit. Love to all our family.

A beautiful tribute to your Father; I know he will be missed. I only met MrKing a handful of times, always so gracious and kind.
