“ Jimmy was one of the great people who would visit the restaurant for which I worked for as a waitress. His presence would radiate positivity, generosity and honesty. He will always listen to you patiently and offer good advice, always be there for you. I remember how at one point I got very busy at the restaurant and Jimmy stood up and helped clean the tables. That was one of the kindest action a person can do to help someone in need. He was a very special person and loved his children, accepted them for who they were. You will be greatly missed my friend. The world won't be the same without you. God bless you!
