“ I was a friend of James' at Dondero. He came by my house a few times and we jammed in my living room with my drums and his guitar. We used to joke around in class and got in trouble a few times!and I will always remember his sense of humor. We lost touch after highschool but I have thought about him many times and smiled thinking about our goofy times together. I will miss him. My prayers are with you all

“ Gary - Our thoughts and prayers are with you and your loved ones during this difficult time. We often think of you, James and Saugatuck "drive-in" movie night and how much James looked forward to the cookout and homemade cheesecake. Our hearts are filled with sorrow. With heartfelt condolences.

“ My thoughts and prayers are with you and your family. Its so depressing to hear that another one of my classmates has passed away. You were too young, its just not fair. I feel so sorry for your loved ones. Rest in peace James.

“ To the Friedrich Family: I was saddened to hear of your loss. James was a good friend of mine during high school. Although we lost touch a few years back, I've thought of him fondly many times and wondered how he was doing. Please know my prayers are with you and with James as he starts his new life in Heaven. “ Gary sometimes its hard to find the words but here is a little poem I found.. There is a sacredness in tears. They are not the mark of weakness, but of power. They speak more eloquently than 10,000 tongues. They are the messengers of overwhelming grief, of deep contrition, and of unspeakable love. - Washington Irving
