“ James was my friend, and I miss him.

I first met him at the Henry Ford Elementary School in Highland Park in the 1950's. I remember he came into our class room and Mrs. Tucker introduced him to the class, saying this is a new student, Jim Murphree. James looked a little nervous and walked in. The kids all said hi and then he came to the back of the classroom (where I always went to avoid the teacher). I said hi, do you go by Jim or James, and said he didn't care, so we shook hands, and from then on I always called him James.

Our close group grew up together, Wayne, James, Charles, Mike, Calvin, Earl and Dave and Bob Williamson and me, and we had great times together all the way through high school. It was an exciting time, and we all had cars that always needed repairing. (In fact all the guys helped me sand my 1954 Ford that Mr Murphree painted in his garage.

The fond memories I have of those days, still stay with me, and bring me a happy feeling of something special. There are so many memories of fishing, going to Canada, driving in Wayne's Ford Continental convertible (that only got 13 miles to the gallon).

I am so happy I was able to make contact with James over the last several months before his passing. He sounded great and still had the same great laugh and seemed to enjoy our remembering the past. I feel such a sense of loss and sadness for not having made contact before this year.

James was always special. He had a great sense of humor, and such a feeling of love for his family. I have so many wonderful experiences in my memory, and know we all lost someone special.

Good buy my friend,

Terry Wilson

The family photos are priceless! Those and the memories will last a life time. Your dad closed his eyes in this world and opened them with Jesus and your mom. Our deepest sympathy to the entire family. John and Kathleen
